Tasting notes

Deeper more rugged profile, blackberry, raspberry, grip and structure from the ripe tannins overlaid with dark fruit profile, Myrtle, damson, mulberry, blackberry, underlying spice and just a hint of liquorice. L&S *(Jul 2023)*

2020 Rasteau Les Coteaux 80% Grenache 20% Syrah (a tiny amount in oak) Super bright and fruity, redcurrant, violet, juicy and pure, there is real energy in this wine, a joy to drink and will please beetle juice fans. L&S *(Sep 2022)*

Domaine des Escaravailles

Domaines des Escaravailles was established in 1953 by Jean-Louis Ferran and his two sons, Daniel and Jean-Pierre, in the village of Rasteau.

Today it is run by the third generation of the family, Gilles, the son of Daniel. With vineyards on not only the clay, limestone hillsides of Rasteau, but also in Cairanne, Roaix, Villedieu and St Roman de Malegarde. The estate is run organically and everything is done by hand with the wines made in the cellars in the heart of the property in Rasteau.

The estate takes its name from the Occitan word for the Scarab Beetle, which you will also find adorning the labels of the wines.
