

DRY AGED DEXTER BEEF FILLET

Buttermilk Sweetbread, Glazed Cheek, Dauphinoise Potato, Sauce Marco Polo

ALLERGENS

MILK / CELERY / SULPHUR DIOXIDE

POINTS OF NOTE

- Dexter beef is a breed of Irish cattle that is known for its quality and taste. It is a smaller breed of cattle, which means that the meat is lean and has less marbling than other types of beef
- Buttermilk Sweetbread—veal thymus gland (neck) poached in buttermilk with crisp spiced coating
