

DEAKIN ESTATE SHIRAZ

CALABRIA FAMILY WINES

GRAPE VARIETY

100% Shiraz

PRODUCER

Deakin Estate is a substantial family-owned vineyard and winery located in the Mildura region of north-west Victoria. The property was purchased in 1967 and named in honour of Alfred Deakin, a former Australian Prime Minister who pioneered irrigation in this arid region. Fed by the mighty Murray River, Mildura continues to produce high-quality citrus fruit, olives, almonds... and grapes. The fruit from Deakin Estate's 350 hectares of vineyards was sold off until 1980, when the winery was built. This allows the best grapes to stay in-house, yielding a range of delicious, stylish, value-for-money wines.

VINEYARD

The grapes come from vines aged between five and fifteen years, trained on a two-wire vertical trellis and planted at 1,700 vines per hectare on sandy loam soils.

WINERY

The must was fermented for seven days at moderate temperatures with gentle pumping over. Following malolactic fermentation, a proportion of the wine was matured with medium toast French and American oak.

TASTING NOTE

Good punchy Shiraz aromas of mulberry and plum, supported by hints of vanilla and coffee oak. The palate is juicy, spicy and satisfying, with a rounded finish.
