

HAND DIVED ORKNEY SCALLOPS  
Sage and Pumpkin Arancini, Pumpkin Purée, 30 Month Aged Parmesan

ALLERGENS

MOLLUSCS // EGGS / MILK / SULPHUR DIOXIDE

POINTS OF NOTE

- Hand diving for scallops is a sustainable method of fishing; the diver hand picks the scallops from the seabed leaving the smaller undersized scallops, there is no heavy fishing equipment to damage the sea bed & quantities are regulated. Also no grit/sand unlike dredging
