

The Sharpham Dart Valley Reserve has received a lot of praise and recognition of late; a double winner at the Sommelier Wine Awards and being selected for the Times 'Top 100 Wines for Summer' list.

An off-dry white wine with a light and refreshing taste that is characteristic of the Sharpham orchards, the delightful fruit aromas and delicate flavours are brought out with aging in American oak and careful blending of different grape varieties such as Madeleine Angevine, Phoenix and Bacchus.
